Engaging Schooley Mitchell to manage all your telecommunication needs allows you to focus your valuable time on what you do best.

Schooley Mitchell consultants have extensive telecommunications experience and expertise that will give you a sense of security that the right decisions are being made.

Schooley Mitchell will audit and analyze your communication services costs for billing errors, make recommendations to lower the costs on your existing services, and act as your advisor on all telecom expenditures.

Partner with an independent and objective expert providing specialized knowledge tailored to your specific needs.

*The savings that were achieved were beyond our expectations*

“The experience was painless and the outcome was great.

All of the changes were implemented by them, we were kept aware of all items and the transition was smooth and easy.

We continue to be very pleased with the service and professionalism of Bill and Sue and would not hesitate to recommend them to other firms or organizations”

- J. Miller Hoffman,  
Limestone Agency Insurance  
Mt. Sterling

**NO RISK. NO INVESTMENT. SIMPLE STEPS.**

1. Simply allow Schooley Mitchell to review your telecommunications services.
2. After their thorough analysis you may approve or decline any recommendation. You remain in control. After implementation SAVINGS can begin.
3. Savings begin! Fees are always self-funded out of the savings generated by actual reduced telecom expenses.
